RESPONSE TO RESTRICTION REQUIREMENT

In a restriction requirement dated November 29, 2002, the Examiner required restriction under 35 U.S.C. § 121 between three groups of claims: Group I containing claims 1-14, Group II containing claims 16-84 (actually 15-84), and Group III containing claims 85-113. Applicants note that the Examiner did not mention claim 15 in the restriction requirement, but Applicants believe that the Examiner intended to include claim 15 in Group II, so that Group II would contain claims 15-84. The Examiner is requested to inform Applicants if this assumption is incorrect.

Applicants provisionally elect to prosecute Group II, claims 15-84, characterized by the Examiner as drawn to methods and apparatus for illuminating, focusing, and transmitting with a conversion of information to digital.
